Surgery News!

We have pleasure in informing you that we have once again been awarded Shinfield Medical Centre contract following a formal procurement process. This is our third successful formal procurement process. As a patient you do not need to do anything and you will continue to be able to access services as before.

The procurement process was an extremely detailed one and it has given us an opportunity to review the way we work and the services we provide – which we're proud to say are rated 'good' by the Care Quality Commission (CQC). The start of a new contract is also an opportune moment see if there is more we can do to enhance our Practice and ensure you continue to receive high quality patient care.

Your feedback is a key part of this process and we have arranged a meeting on **11-09-2024 at 5:00 – 6:30pm** at which our senior team will be on hand to listen, answer questions and talk about future plans.

If you would like to join this meeting please contact Adeline Fleming, Practice Manager on bobicb-bw.reception.shg@nhs.net
